SAMPLE STUDENT TRANSCRIPT

Student: Alex Kumar

Program: Bachelor of Computer Applications (BCA)

Semester: II

Academic Year: 2026

Subject	Maximum Marks	Marks Obtained	Grade
C Programming	100	82	A
Web Technology	100	76	B+
Computer Architecture	100	61	C+
Mathematical Fundamentals of Computer	100	55	C
Database Management Systems	100	48	D
English Communication	100	88	A+

Academic Notes

• Strong performance: English Communication and C Programming.

• Good performance: Web Technology.

• Needs improvement: Computer Architecture and Mathematical Fundamentals of Computer.

• Highest-priority improvement area: Database Management Systems.

• Suggested study focus: database fundamentals, SQL basics, normalization, and relational concepts.

This is a fictional sample document created for testing the Agentic AI hackathon project. It contains no real student's academic information.
